Rosenthal Land Advocates restored my faith in the commercial real estate industry and to a larger extent, humanity. As an OREO manager for a large national bank with over 25 years of commercial real estate experience, I have worked with a large number of brokerage firms and have sold heaps of commercial real estate assets from coast to coast. Rosenthal Land Advocates stands at the pinnacle, not only because of their unprecedented results but more importantly for their extraordinary level of integrity, transparency, creativity and care that they put into achieving those results.
